REC&CONNECT!

**From safety to driving passion, all the way to professional use:
dashcams are no longer simple accessories, but true must-haves.**

Whether you want to record every adventure on the road, monitor routes for safety reasons, or work with services such as taxis and ride-sharing, you'll find the perfect solution for every scenario.

All our dashcams connect easily via app, allowing you to manage, save, and share your footage in real time: REC&CONNECT, always.

APPLICATIONS
· **parking**
· **taxi and Uber**
· **safety**
· **fun and
  adventure**

SCAN ME
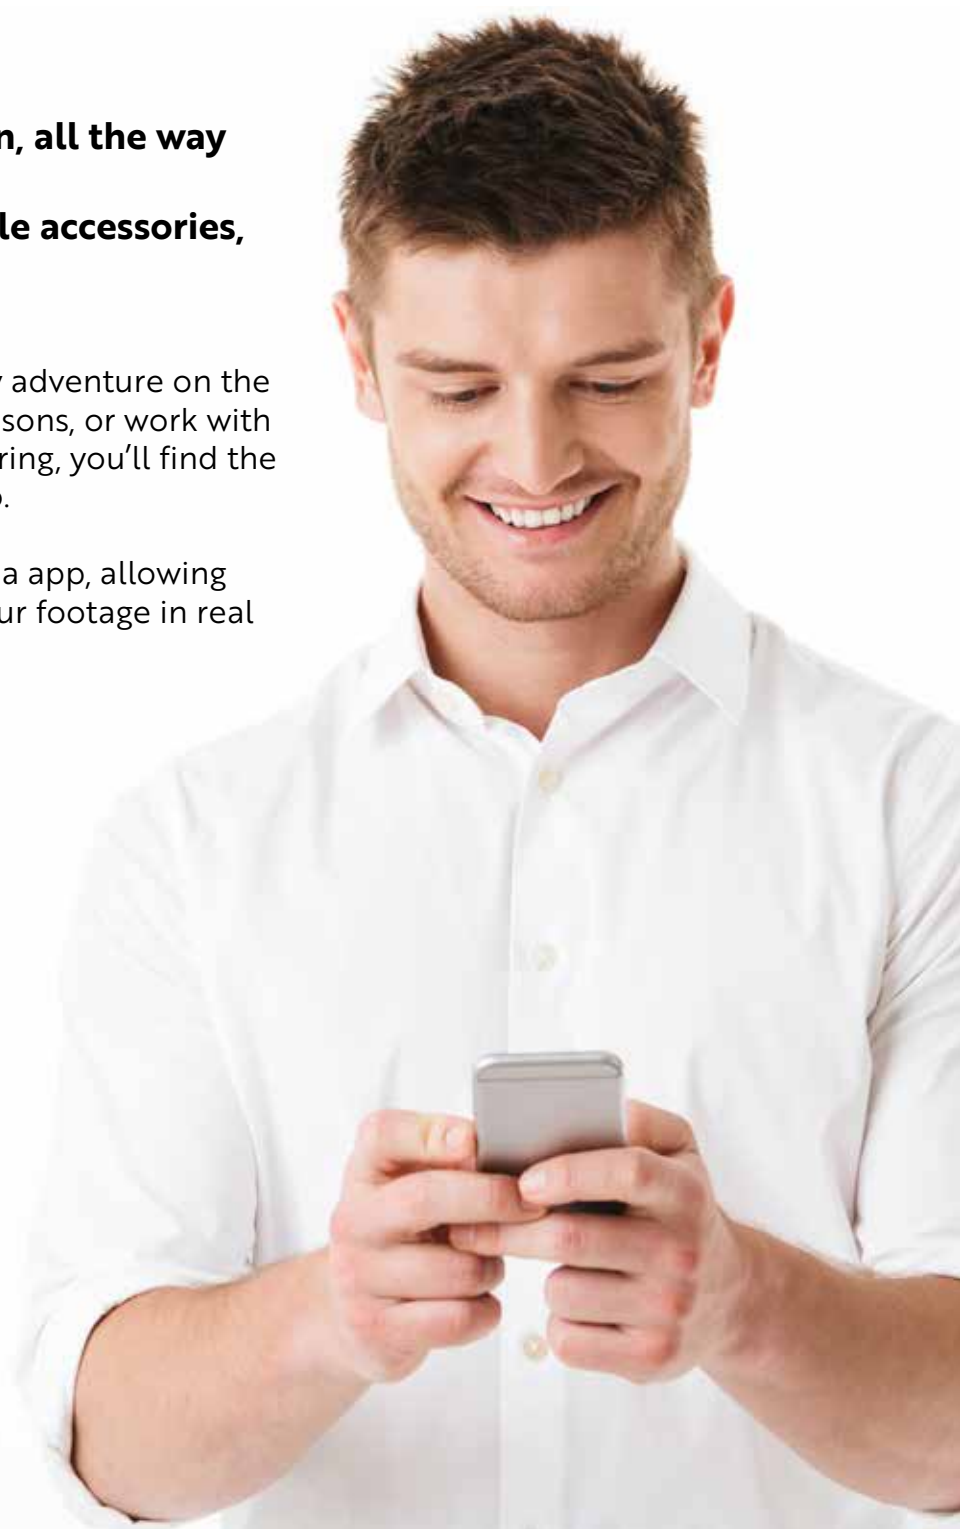

VM441U 4G/Wi-Fi/GPS DASHCAM WITH APP FOR REMOTE ACCESS
64GB microSD card included. SIM CARD with 3GB for 30 days (outside Italy).
ENGLISH VOICE ASSISTANT.

VM441D with German voice assistant. VM441E with Spanish voice assistant VM441F with French voice assistant.
VM441P with Portuguese voice assistant. VM441 with Italian voice assistant and SIM CARD.

MAIN FEATURES
Resolution: 1920×1080 pixels.
2-megapixel sensor.
MP4 video format, 30 FPS.
120° viewing angle.
Built-in GPS module.
Speed and position recording
4G connectivity.
